

Faculty of Physics

Moscow International Symposium on Magnetism MISM-2017

1 – 5 July 2017

Lomonosov Moscow State University, Moscow, Russia

FINAL
ANNOUNCEMENT

<http://mism.magn.ru>

MAIN TOPICS

- Spintronics and Magnetotransport
- Magnetophotonics
- High Frequency Properties and Metamaterials
- Magnetic Nanostructures and Low Dimensional Magnetism
- Soft and Hard Magnetic Materials
- Magnetic Shape-Memory Alloys and Magnetocaloric Effect
- Magnetic Semiconductors and Oxides
- Multiferroics
- Magnetism and Superconductivity
- Magnetic Soft Matter
- Magnetism in Biology and Medicine
- Study of Magnetism using X-rays and Neutrons

NEW

PLENARY TALKS

- Stuart Parkin (Germany)
- Axel Hoffmann (USA)
- Oliver Gutfleisch (Germany)
- Caroline Ross (USA)
- Igor Lyubutin (Russia)
- Andrei Slavin (USA)
- Roy Chantrell (UK)
- Josep Fontcuberta (Spain)
- Satoshi Hirosawa (Japan)
- Andrei Kirilyuk (The Netherlands)

IMPORTANT DATES

Registration on website	IS OPEN
Submission of abstracts	IS OPEN
Registration deadline	April 1, 2017
Abstract submission deadline	April 1, 2017
Abstract accept / reject notification	April 15, 2017
Submission of manuscripts opens	May 1, 2017
Submission of manuscripts deadline	July 5, 2017

PROCEEDINGS

All authors of talks and poster presentations are welcome to submit the full-length paper for **Open access** volume of [EPJ Web of Conferences](#) ([EDP Sciences](#)) (indexed in WoS and Scopus).

All invited papers will be published in [Journal of Magnetism and Magnetic Materials](#) ([Elsevier](#)).

CONFERENCE FEES

Participant	350 € (before May 1, 2017) 400 € (after May 1, 2017)
Student	100 €
Retired	200 €
Accompanying person	50 €

The registration fee includes:

- Admission to all scientific sessions
- Conference handbook (Program and Abstracts) and proceedings
- Participant's full set

The registration fee [can be paid](#) by bank transfer, credit card online or cash at conference desk.

ACCOMMODATION

The Organizing Committee is pleased to announce that the accommodation is available at several hotels close to the Symposium venue. Our partner MKC LLC has secured for you special rates with these hotels. Please make your reservation via hotel booking system on our [website](#) or via preferred travel agency. Take into account that July is the high season in Moscow. So, we recommend to make accommodation arrangements in advance.

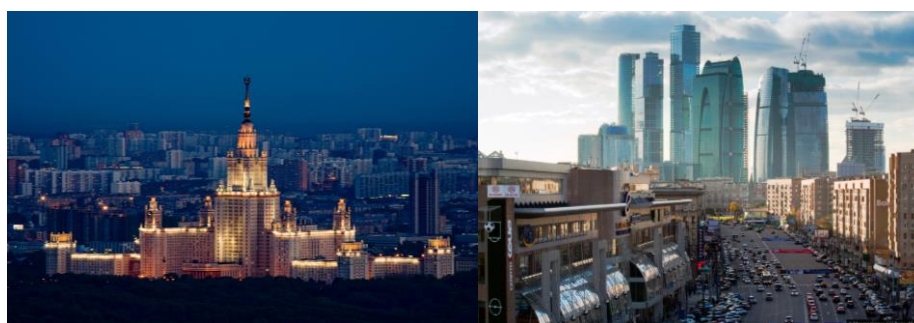

LETTER OF INVITATION

The Organizing Committee will be pleased to send a letter of invitation to any individual requesting it. It is to be understood that such an invitation is intended to help potential participants to raise travel funds. You may request such a letter of invitation from the MISM-2017 office. Note that the invitation letter is not a document needed for obtaining the Russian visa.

VISA

The simplest way is to obtain the **tourist** visa. Participants will be able to get a tourist voucher from Registration and hotel booking system on MISM-2017 website or from chosen hotel. This voucher is to be used for visa application. Due to the simplicity of all procedures we would like to kindly recommend all participants to apply for tourist visa, if possible.

In case of necessity of non-tourist visa, please send a request with attached scanned copy of the passport with the photo and personal data to the Organizing Committee (mism@magn.ru) **before April 1, 2017 (extended)**. You will be provided with **special invitation** from Lomonosov MSU for humanitarian visa for scientific-technological exchange. Please draw your attention to deadline for such request – since the time required for procedure to receive this document can take up to 2 months, we will not be able to guarantee that this special invitation for visa will be issued on time if the request will be sent after the deadline.

SATELLITE MEETING OF MISM-2017

Following the success of the First workshop held as MISM-2014 satellite meeting
we are pleased to announce
Second International Workshop

Novel Trends in Physics of Ferroics

The workshop will be held in St. Petersburg, Russia on July 6-8, 2017.

The satellite meeting of MISM-2017 “Novel Trends in Physics of Ferroics” (www.ioffe.ru/optics/NTPF2017) is organized by the Laboratory for Physics of Ferroics of the Ioffe Institute of the Russian Academy of Sciences. The aim of the Workshop is to bring together scientists working on physics of magnetically ordered, ferroelectric, and multiferroic media. A special emphasis will be put on the latest achievements in experimental and theoretical studies of dynamical properties of these media.

IMPORTANT DATES

Abstract submission deadline	April 7, 2017
Abstract acceptance notification	April 21, 2017
Online registration deadline	June 6, 2017
Opening of the Workshop	July 6, 2017

For more information please visit the website of the Workshop: <http://www.ioffe.ru/optics/NTPF2017/>

LOOKING FORWARD TO SEEING YOU IN MOSCOW AND SAINT PETERSBURG!
